CIVIL ACTION NO. 3:20-CV-3524-S-BN

**ORDER ACCEPTING FINDINGS, CONCLUSIONS, AND
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

The United States Magistrate Judge made findings, conclusions, and a recommendation in this case. No objections were filed. The District Court reviewed the proposed findings, conclusions, and recommendation for plain error. Finding none, the Court **ACCEPTS** the Findings, Conclusions, and Recommendation of the United States Magistrate Judge.¹

SO ORDERED.

SIGNED January 11, 2021.

UNITED STATES DISTRICT JUDGE

¹ The Court notes that on December 14, 2020, Petitioner filed another document appearing to request that the Court issue a writ of mandamus regarding another case. *See* ECF No. 5. Construing Petitioner's filing as such, for the same reasons set forth in the Findings, Conclusions, and Recommendation of the United States Magistrate Judge [ECF No. 4], the Court finds that it lacks subject matter jurisdiction.
